

## Spooky Straw/Sucker Tags [FREE]

### INSTRUCTIONS:

- 1.) Print out the template on a heavy card stock. I used white, but ivory will work as well.
- 2.) Cut out the designs along the solid lines.
- 3.) Using a craft knife, cut two parallel slits in the design.
- 4.) Thread a sucker, or a straw through the slits!

**NOTE:** This free download includes the original 9 designs arranged so that you may print them all on one page. If you are interested in printing several of one design, please purchase the full template at my Etsy store :
